- **Will there be transportation to and from the airport?**

Yes. If you are traveling as an International delegation, ASLFL will be organizing group pick-ups from Dublin Airport to the dorms.

- **What kind of clothing or attire should the students bring?**

The attire for the week of the Conference, students (boys and girls) must be properly dressed at all times, just like if you were going to school. For the girls, we do not accept revealing clothes, such as hot pants, short shorts, micro skirts, crop tops, flip flops. The only shorts allowed are cotton Bermuda shorts, 2 inches above the knee. For the boys, we do not allow sporting shorts or flip flops. The only shorts allowed are cotton tailored Bermuda shorts.

Clothing attire for the Graduation Gala, the boys are required to wear a jacket and tie, no jeans, no sneakers, no flip flops; the girls are required to wear an appropriate elegant dress (not revealing).

Also, considering the varied climate Ireland has, we suggest some light protective rain gear (just in case). The weather is not predictable, so it would be convenient to bring a warm jacket, umbrella and raingear.

The accommodation center is fully contained in secure grounds at Maynooth University. All students will be engaged in on site activities and therefore will be fully supervised by staff. Attendance will be monitored by group facilitators.

- **Specialized Food Menu – vegetarian/religious/allergic status**

There is at least one vegetarian meal available each day. Special dietary requirements will be catered for. This will be included in the information we get back from our students.
